

Losing You

Count: 32

Wall: 2

Level: Intermediate / Advanced

Choreographer: Yvonne Anderson (SCO) - February 2018

Music: Losing You - Alison Krauss : (Album: Windy City. iTunes and amazon)

Notes: Start on vocal. This is a slow foxtrot, emphasis on slow...listen to the music and you will find it easy to follow the rhythm. I have tried to put in as much detail as possible, hence the script looks a little daunting, but stick with it and you have yourself a flowing dance. Towards the end of the track the beat drops away...keep going. To finish facing forward adjust the rolling turn counts 4a5 to face 12 o'clock and step forward...tah dah!!! Thanks to all who have proof read the script
