Y (The Letter Y)

Count: 32 **Wall:** 3 **Level:** Intermediate

Choreographer: William Sevone (UK) - July 2005

Music: Dancing On the Ceiling - Lionel Richie : (CD: Dancing On The Ceiling / Greatest Hits)

Dance starts on the vocals with feet together and weight on the left foot.

Dance Sequence:-

Wall 1: Start facing the left diagonal (10.30).

Wall 2: Start facing the right diagonal (1.30)

Wall 3: Star facing the (traditional) back wall (6:00)

Choreographers note:- Why is the dance called ?Y?? It may well have something to do with the number of ?walls? within the dance - and of course being performed in the shape of the letter ?Y??. simple ?eh ??.

It?s not the first time I have ?strayed? ? ?Tulsa Time? for instance, is an 8 wall dance.. I?m not kidding.

There are three versions of this song that I am aware of.. all with differing running times ? so therefore you will have to formulate your own ?Dance finish?. Suitable for the established Advanced Beginner.

Always remember - 'The beat may reach your feet - but the rhythm should electrify your soul'.
