BACK ROCK SWEEP, CROSS UNWIND FULL TURN

1-2 Rock back on RF, Recover on LF and sweep RF to the front

3-4 Cross RF over LF, unwind full turn left with weight ending on RF and connect with the left sweep on count 1.

****Restart - Restart the dance after count 28& on Wall 5 and 6.**

Ending – Wall 7 (25 counts), Wall 8 (25 +2 counts)

On wall 7, do until 'Butterfly' and continue to bend your body forward down as you lower your 'wings' to almost your feet. While bending down, step your RF back and bend your right knees keeping LF straight and pointed forward. Hold this "Sleeping Butterfly" position for 8 counts and start wall 8 from beginning when the beat kicks in again (make it dramatic!). Do up till count 14&, then do the sways slowly for 4 counts. The beat will kick in again, so continue with Set 3 until 'Butterfly' and lead into the "Sleeping Butterfly" position. Lastly, slowly open up again (vocal: jiwa) for the last pose. May look complicated due to the pauses at the end of the song.
