#16 Count Intro

This is dedicated to my sister, Anne Maguire Daniel. I love you Annie Pannie! BOO!

Before we were sisters, we were childhood friends. Our memories carried on since 5th grade at Sunday Mass. We always looked for each other and whoever saw the other first would say "Boo" and the other would respond with "Bee". Then we would giggle and really think we were being naughty to say "Boobee" in church. We never shared this information with her dad or my mom until we were adults!

We have carried on the tradition with cards and/or presents, usually some sort of bee with the word Boo on it. She is fighting cancer right now.
