**I'm always into something good.....so it was easy to write to this song.**

**It was written especially for my Dunedin NZ workshop, which a wind down event for the Masters Games Line Dancing in this area....all good things must come to an end they say....**

**However, Line dancing is still alive and well in Dunedin and I feel privileged to have been chosen to do the final workshop. Yeeeeha!**

**Hope you all enjoy this easyish little dance to the song by The Bird and The Bee, which was the sound track from the movie Valentines Day. Hermans Hermits sang the original song, as I am sure you remember.**

**See you on the floor sometime.... Jan**
