***= On third wall after 32C you do the tag and then restart the dance. On sixth wall you dance 32C and then restart the dance.**

****= The last (third) time you do the tag, the music and singing slow down and stop at the end. To fit with the music, the very last step of the tag (stepping Lf to left side) should be slow and may very well be a little “hitch-like” before stepping down.**

Ending: On the last wall, dance up to and including section 4. You will be facing 6:00. Then turn ½ right stepping on toes of Rf diagonally forward (1), step Lf diagonally forward (2). The song finishes with the words ‘tip toe’.
