Tags: There are two tags in this dance with this song. The first tag is on wall 4 at 6:00. Repeat the first 8 counts of the dance then continue the dance. The second tag is on wall 10 at 6:00. Repeat the first 4 counts of the first 8 counts then continue the dance. If using other disco music, the tags are not necessary and they are optional even for this song. I included them for better phrasing.

Thank you Barbara S for requesting an easy line dance to this song.
