This is a shout out to The Villages Line Dancing Community. We do this dance in The Villages, FL at our 3 town squares where music and dancing (especially line dancing) is enjoyed every night. Someone once taught this to someone else and it has been passed down to new dancers at the squares every year. When we L Rock in, you see us smile and say "Whew!"

Suggest: You can teach this dance as 1 Wall. Then dance it out in a circle.
