DETAILS ON THE TAGS AND RESTARTS

–With Somethin' About a Woman, restart on wall 3 after 16 counts. Wall 3 starts at 6:00 and 16 counts take you to 3:00. At the end of wall 7, starting at 6:00 and ending at 3:00, do a rocking chair as a 4-count tag. No changes are needed during the funky music sections.

–With Old Flame, there are three restarts, each with a rocking chair as a 4-count tag. On wall 4, starting at 3:00, dance through 16 counts (through the side-touches) to 12:00 then do a rocking chair, then restart. On wall 9, which starts at 12:00, dance 16 counts to the 9:00 wall, then do the rocking chair. On wall 12, starting

at 3, dance the 16 counts, to 12:00, then do the rocking chair tag.

THIS DANCE was written to teach behind-side-cross and side-rock-cross sequences to less experienced dancers. The easy options are recommended for them and use of the slowest music such as Lover Please. I really like the Old Flame music but it is harder because the music doesn't help much ahead of time on the tags.
