TAG

Complete the dance to * and then add in the following beats**

- 1 Turn ¼ left & step left to left
2-3 Swing hips left, swing hips right
4-6 Swing hips left, hold, hold

- 1-3 Hold, swing hips right, swing hips left
4-6 Swing hips right, hold, hold

Then the dance from * to the end and restart once again**

Although this dance may not exactly be done to waltz music I have written it down in counts of 3 so it is more widely understood, the beats should read 1&a 2&a, 3&a and so on, but I thought this might confuse some dancers. The song I have chosen is extremely pretty and worth listening to, I hope you enjoy it!!
