- 5&6-7-8 Coaster step (step left back, step right next to left, step left forward) walk forward on right & left

REPEAT

TAG

Dance 2 walls, then dance the first 32 counts & hold for 4 counts with attitude. Repeat the above twice
If you get to know the dance really well, at the very end, the tempo slows right down and allows you to step
touch slowly to the right, then left, then right again, stepping wide with arms raised for a big finale.
