TAG

This is the dialogue part of the song. I didn't want to put in steps because silent counting won't be easy for

some folks. So I put in arms and head action, much like a modern dance.

"All aboard, ..." : look down, arms down. Keep absolutely still

"Oh, it's beautiful....baby I went down and got it for you" slowly raise arms over head and slowly put them down again

"Oh, you shouldn't have...." : remain still, then look up suddenly

Prepare to restart the dance immediately after this

FINISH

&7&8 Forward right, tap left behind right, turn ½ left and step forward left, tap right behind left
