REPEAT

OPTIONAL ENDING

You will dance 10 complete walls. You will start the 11th repetition facing the back wall. Do the first 16 counts, but instead of doing the ¾ turn on count 16, just do ¼ turn (or 1¼ for the adventurous!!) To face the front wall. Then lift both hands up to head height, turning both palms outwards with the fingers spread & pointing in towards your face as the music ends with "look at yourself"
