RESTART

On wall 5, restart the dance after count 24. You need to add an "&" to shift weight to the left foot. So step left next to right on &, and then step right to right side to start over

FINISH

The dance ends on count 16. To end the dance facing the front wall do the following

5-7 Walk backward left, right, left

8 Stomp forward into $\frac{1}{4}$ left turn (your body should be angled diagonally right with right knee slightly bent.) And hold arms out to each side, palms facing forward with fingers spread

Slowly raise right arm up as the music fades out.
