TAG

After first & third walls (6:00) & fourth wall (12:00)

1-2 Cross left over right, step back on right
3-4 Step left to left, cross right over left

On the third wall add two extra counts:

5-6 Cross left over right, step back on right

On the fourth wall (facing the front) after the tag the music radically slows down. You need to slow the dance to fit. If you have done it correctly you will be on count &20 when the beat comes back in. Just carry on to the end of the song

TO FINISH THE DANCE

You will be facing the front wall and on counts 33-36 simply replace these with counts 59-64
