7 8            Take a short step right to right side.(7) Hold for one count.(8) FACES 6.00

**ENDING:** As the music fades you will be facing the 6.00 wall, start the dance & dance up to count 6 of section 2...just walk forward slowly with the music \*\*\* - and close right next to left to finish facing the 12.00 front wall?

**ENJOY THE DANCE!** I have done an 'edited' version of the track...taking out the first 30secs of the piano introduction...I would advise most instructors to do the same...saves a lot of hanging about waiting for the dance to start!
