Restart: On wall 6 (facing the 6 o'clock wall) dance 48 counts with a touch on count 48 (not a step). Although the dance is not phrased to the music (too many restarts for that) counts 33-48 are very quiet and as you finish those counts it just felt best to restart when the music came back on phrase with full volume.

Ending: The song ends on the front wall on count 5 of the modified Monterey pattern. End with touch to the right!!!
