B Pattern

This pattern is done during the Amen part of the song. You will start this pattern after the elbow drop in Part A the second time you do the A pattern

- 1-2&3 step forward on right as you sweep left in front, cross left over right, step right to right side, step left behind right as you sweep right around to right, (This part of the B pattern is only done the first time you do the B pattern.)
4 & step right behind left, step left to left, as soon as you take weight to left foot make a full turn to the left. Facing front wall raise right arm up and then raise left arm up as you drop right arm prepping for another turn to left. Your arms will raise and lower on the word Amen. Make another full turn to the left repeating arm raises. Prep to left and make a full turn to right then raise only left arm for the last Amen. NOTE....The turns are on the beginning of the word "Amen"... you can see timing on video.....

Arm hits. This happens on the hard beats right before the chorus. Take right arm out and down to right, take left arm down and out to left. Bring arms into chest as you drop your head (on the words "TAKE ME"). Bring arms out to either side as you raise your head on the word "TO")

C Pattern "chorus"

C[1-9]□Low kick, cross, back, 1/4 with drop and arm reach, full turn, sway sway, side, 3/4 turn ending in rock back with arm styling.. This pattern is always done twice in a row. The second time the last counts will change from 8&1 to 8&a1

- 1-2 step forward on left foot as you kick right foot low, cross right over left
&-3 step back on left, make a 1/4 turn to the right as you step right to right side as you bend slightly at knees and drop body down while reaching left hand across body and upwards like you are reaching for something.
4&5 make a 1/4 turn to left stepping forward on left, make a 1/2 turn to left stepping back on right, make a 1/4 turn to left stepping left to left side
6&7 sway right, sway left, take a big step to right on right
8&1 make a 1/4 turn to the left stepping forward on left as you bring left arm up in front of body bent at elbow palm facing down, as your right arm comes underneath your left arm in a circular motion from right to left and into body, make a 1/2 turn to the left as you step back on right letting your right hand continue the circular motion this time as it comes around it will go over top of the left arm, rock back on left as your right hand comes by your neck "as if you were cutting it" (DON'T THINK BAD THINGS HERE!!!!!!)

C[10-16]□Hand styling, recover with arm pull, rock/recover, weave with 1/2 turn, together with arm raise

- 2 e a take right hand out to right with closed fist, take left hand out to left with open palm, bring hands together in front. (Left palm on the left side of right fist, like if there was a knife in your hand with the blade sticking out to the right, with your left hand on the back of the handle.
3 pull hands into chest as if you are stabbing yourself, turning right fist so that the knife blade faces chest as you recover weight on to right foot
4 rock forward onto left foot as you pull knife out of chest as you open hands out slightly to either side
5 recover weight back onto right
6&a7 make a 1/4 turn to right stepping left behind right, make a 1/4 turn to right stepping forward on right, step forward on left, step together with right as you bring arms out and raise them up to either side
8&1 step back on left, step back on right, make a 1/2 turn to left as you step forward on left and low kick the right foot forward

**Repeat Pattern this time with the timing change at the end so you can start the A pattern
Timing change for into the A**

8&a step back on left, step back on right, make a 1/2 turn to left stepping forward on left this time with no low kick as you are about to start the A pattern again
