**First Tag occurs there after this 10th repetition:**

**You do a semi-circle with your right hand from left to right for 4 counts and you restart the dance from the top.**

**You will start your 11th repetition facing the 6h Wall and you will dance only the first 16 counts and do the Tag-Restart again.**

**Then, you dance walls 12, 13 and the last is the 14th, you will face 12h. Do only the first 16 counts to finish to the front.**

**Smile, dancing is great!**
