Tags: At the end of wall 5 (Facing 9 o'clock) and wall 7 (Facing 3 o'clock) there is a 4 count tag, which is just to repeat the last 4 counts of the dance (Jazz Box), so this will mean you'll do two Jazz Boxes consecutively on those 2 occasions.

Ending: When The Music Approaches the end you will have danced 36 counts of the dance (up to back rock, walk forward – Sec 5), so then cross right over left, make a quarter turn right stepping back on left and then step right to right side for a big finish!!
