**NOTE:**

Alternative “party track” music: “Do Something Crazy” by Outasight (start the dance after approx. 15 seconds on the lyric “I wanna”).

When using the party track, at the start you hear an extended use of the word “Go” (it sounds like “Whoooooar”), followed by “let’s go crazy”. This occurs several times during the track and is the cue for a freestyle walkabout; during this section, do whatever you like for 16 counts. The DJ can then cue which wall to restart the main dance after the freestyle section.
