REPEAT

Using the song "The Monster Mash" you will find that you are dancing the Monster Walks/Arms to the chorus of the song. However, after dancing the complete dance 3 times, repeat the Monster Walks/Arms (Steps 33-44), and then start again. (There is an extra verse after the third verse in the song but goes with the Monster Walks/Arms--then the Monster Mash chorus begins and (to go with the song) repeat the Monster Walks/Arms and then begin again. The rest of the song works great and the Kids (of all ages) love it!!
