

# RADIO RANCH

**Count:** 32      **Wall:** 4      **Level:** intermediate

**Choreographer:** Terry Hogan

**Music:** Radio Ranch by Michael King

## **SIDE, BEHIND, SIDE, STOMP UP, RIGHT KICK, BALL, CHANGE, FORWARD, ½ LEFT**

- 1-4                      Step side left, step right across behind left, step side left, stomp right heel beside left leaving weight on left foot
- 5&6                    Right foot kick, ball, change
- 7-8                    Step right forward, make ½ pivot turn left stepping onto left foot

## **FORWARD, STOMP UP, BACK, BALL CHANGE, STOMP, ROCK FORWARD, REPLACE, BACK, TOGETHER**

- 9-10                    Step right forward, stomp left heel beside right toes - weight stays on right
- &-11                    Step slightly backward on ball of left foot, replace weight onto right making a small step forward
- 12                      Stomp left foot beside right
- 13-14                   Rock-step right forward, rock backward onto left
- 15-16                   Step right backward, step left beside right

## **FORWARD, ¼ LEFT, CROSS, SIDE ½ RIGHT, ¼ RIGHT FORWARD, ¼ RIGHT TOGETHER, SWIVEL TOES, HEELS**

- 17-18                   Step right forward, make ¼ pivot turn left taking weight onto left foot
- 19-20                   Step right across left, step left to the side and make ½ turn right
- 21                      Make ¼ turn right and step right forward
- 22                      Make another ¼ turn right on ball of right foot bringing left foot beside right and allowing heels to swivel to the left - this is the start of a traveling swivel/twist move to the left side

An easy alternative for 19-22 is a basic vine left, then stepping together on count 22

- 23-24                   Swivel both toes to the left, transfer weight to toes and swivel both heels left

## **FORWARD SHUFFLE, FORWARD, STOMP UP, ROCK FORWARD, REPLACE, ½ RIGHT FORWARD, BRUSH LEFT FORWARD**

- 25&26                   Shuffle forward right, left, right
- 27-28                   Step left forward, stomp right foot beside left leaving weight on left foot
- 29-30                   Rock-step right forward, rock backward onto left
- 32                      Make ½ turn right and step right forward
- 32                      Brush left foot forward

## **REPEAT**
