REPEAT

RESTARTS

On the 3rd wall, leave out the last 8 counts and keep weight on right. Then restart from the beginning. After you restart, you will dance through to the first 32 counts and restart again from the beginning. Dance one complete sequence, then the very next wall facing the back, leave out the last 8 counts & keep weight on right & restart again from the beginning.

The 2 walls where the last 8 counts are left out are the chorus of the song.
