1-6	Basic pattern (triple step, triple step, rock, step)
7-12	Lady's right underarm turn (tuck and turn): lead on 1st shuffle. Lady turns right on 2nd
13-18	Lady's left underarm turn: partners pass right shoulder to right shoulder on 1st shuffle. Lady ½ turn left on 2nd as man makes a ½ turn right
19-24	Repeat step 3 and beginning partner change. On the rock step, man leads lady into a full left free turn
25-30	Turn left on shuffles, completing partner change (move 1 partner to the left) "catch" new partner on the rock of the rock-step
