These hitches are not really hitches but you move them above the ground (hitch) but you move them as knee

pops so above and in the front of your other foot

REPEAT

TAG

After wall 3 & 4 (back & front wall) you do these following 4 counts after count 32

1&2 Right foot rock forward, left foot recover, right foot step to the right

3&4 Left foot rock forward, right foot recover, left foot step to the right

Then start doing counts 33-40 and then start over from count 1

After wall 5 & 6 (back & front wall) you don't do the counts 33-40. Leave them off.

After wall 7 (back wall) you do count 33-40 but now count & before count 5 you turn a ½ to the left and as you do that 2 times you turn back with right to front wall.
