REPEAT

ENDING

Facing 6:00, dance counts 1-6 (brings you to front). Then replace counts 7&8 (the 1-½ triple turn) with a full triple turn right stepping right-left-right. Stomp left to side & stomp right to side (cross hands in front of body and flick open in cutting motion as above.)

At beginning of wall 9 (facing front) Pam sings "I love you just the same." Then vocals fade out for approximately 24 counts. Dance at same pace to end of wall when beat recommences on "the same" to start next wall
