

# Dance Wagon

Count: 0

Wall: 4

Level:

Choreographer: Dan Testa (USA)

Music: Sin Wagon - The Chicks

Sequence: AAB AAB AAAABC AAAAA

The phrasing for this dance was done using the album version from "Fly". Start dancing just before the vocals. This should be sixteen counts after the harmonica starts playing. Dance through all of the breaks. Part A is the basic dance and is done for most of the song. Part B is a "chorus" phrase. It's done three times in the dance. The Dixie Chicks will be singing, "Praise the Lord and pass the ammunition..." whenever this pattern is being done. Part C is just the first 28 counts of Part A. I put it in there so that the dance lines up with the music for the remaining patterns of Part A.

Feel free to do Part A to other music of this style.
