TAG: After the 2nd and 4th patterns you will do the following tag. As you complete you 8&1 chase turn, you will not step forward on count one. Instead, on count 1, sway to the R. Touch L next to R on count 2. Sway to the L on count 3. Rock back on ball of R for count 4. Recover on L in place on the & count. Step forward on the R on count 1.

RESTART: On the 6th pattern, you will omit the last eight counts of the pattern. You will have just completed your rock forward, recover, ½ turn R stepping forward. With weight forward on the R, there will be a break in the music. You will hold that position for counts 2-3 and then switch your weight back on the L foot for count 4. Start pattern again. It fits nicely with the break in the music.

Pattern of the dance is as follows: 32 - 32 - tag - 32 - tag - 32 - 24 counts w the restart - 32 the remainder of the song.
