## Restarts:

During the chorus, on Walls #3 and #6, restart after the first 22 additional counts (you will be crossing the L over R taking weight on L to begin the dance again with the triple to R). On Wall #8, there is an additional 8 counts (after instrumental part), simply restart with the triple to the R (you will be doing 2 sets of triples at this point).

**Enjoy!**

**This song is great for a demo team music selection. There's a perfect 32 count intro for the entrance and the instrumental part offers many options for formation changes!**
