**Let's Dance It Again!**

**Note:** The first 8 counts do not follow the Samba rhythm. Listen to the difference in the beat. The last two sets are written with 'a' instead of '&'. Using the 'a' gives the whole count before it more time since the 'a' is shorter in time. Using the 'a' will attempt to give an ever so slight difference to the three steps while doing a Samba. As always you must move as your body wants you to and have a good time
