Dance pattern: AABAABAABAA

A Pattern

[1-8] Hitch 1/4 turn with arm roll, arm rolls, arm cross with drag

- 1-2 Hitch right leg up, make 1/4 turn right stepping down on right...Arms: as you hitch raise left hand starting with fingers rolling hand up and out in front, as you step down roll left hand back down as you roll right hand up; left hand will end at waist level in front of body, right hand will end extended out in front
- 3&4 Roll right hand down as you roll left hand up, roll right hand up as you roll left hand down, roll right hand down as you roll left hand up
- 5-6 Dropping left hand bring right hand to left shoulder palm down fingers extended out, make 1/4 turn left as you bring right hand across the chest at shoulder height
- 7-8 Drop right hand down by right side as you drag right foot in

[9-16] step with arm waves, sweep backs, out out

- 1-2-3-4 Slightly raising right knee slide ball of right foot forward and end pressing down on count 4...Arms: As you slide your right foot forward extend arms out to either side and slightly roll arms from elbows to wrists to fingers in an outward motion, bring back to neutral, roll out again, bring back to neutral, roll out again, bring back to neutral, roll out again (note: your arm roll out should be on each count)
- 5-6 Press off of right foot sweeping right back to the right side as you step back on left, step back on right as you sweep back with left
- 7&8 Step back on left as you sweep right back, step back on right, step left to left side

[17-24] arms rolls, tuts, waves with head isolation

- 1&2 Bringing arms inward and upward let right arm cross over towards left side as left arm crosses over and up to right side with left arm closest to body rolling fingers back out right to right left to left and uncrossing arms, cross right over left as you extend arms up with slightly bent elbows as you rotate right hand counterclockwise and left hand clockwise until palms come together
- 3-4 Rotate fingers down bringing them in toward your body rotating hands around keeping palms together until fingers point to chest, rotate right hand in and up in a counterclockwise motion and rotate left hand in a clockwise motion untwisting arms bringing palms together ending in praying position with wrists bent at 90 degree angle and elbows out to either side
- 5-6 As you drop right elbow flatten left hand keeping right wrist bent at a 90 degree angle, take right elbow out to right side straightening wrist with finger tips touching as you slightly bend right knee pressing on right foot with chin ending where fingertips meet
- 7&8 Start an arm wave from right elbow through right wrist to right fingers extending to left fingers, left wrist and left elbow (Note: when roll reaches fingertips, let chin follow the rest of the roll across left arm towards left elbow)

[25-32] heel walks in, step , tut with hand roll with half turn

- 1&2 While dropping arms walk right foot in toe-heel-toe
- &3-4 Walk right foot in heel-toe, step forward on right foot extending hands out in front palms together
- 5-6 Pull fingertips in (which opens hands slightly), roll fingertips in toward base of hands as you roll back of fingers together going toward your left armpit

- 7-8 Start 1/2 turn pivot left as you push arms by left side rotating left hand over your right keeping both index fingers connected pushing hands out in front and bringing palms back together
