5,6	Make ½ turn left stepping forward on left, make ½ turn left stepping back on right
7&8	Step back on left, step right next to left, step forward on left

Start Again

Note: At the end of wall 5, the music will fade off, and then appear to stop completely. Keep dancing, and the music will come back on count 17 (touch back)

Optional Extra: On wall 3, he sings “You hear the door slam” along with accompanying slam of door in the first eight counts. The door slam sound effect comes on count 8, recovering onto the left. Instead of a normal rock recover for 7,8, try lifting the left up during the rock, and stomp it back down to the music ;-)
