7&a bring right arm back forward like you're hitting it on a table with closed fist, hit left as down slightly like you're hitting a table with closed fist, repeat with right one more time  
8&a roll head in a clock wise rotation 3 times, while still hunched over

**[49-56] Scuff, Toe Taps, ¾, Step Step, ¼ Turn Step Together, Tut**

1&a scuff right foot forward, tap right next to left, tap right next to left  
2,3 step down on right as you stand up straight, push off right as you make a ¾ turn over left on left,  
4&a step forward on right, step forward on left, make a ¼ turn to left as you bring right next to left  
5&a bend over at waist as you extend arms down and bring palm together, bend hands at wrist so fingertips are touching and palms facing up. Rotate hands so that fingers are pointing behind you.  
6&a roll fingertips down towards the floor then back up as you stand up straight, then roll fingers slightly forward arms should end up slightly out on either side bent at elbows (6), step left to left side as you turn left hand in to you a ¼ turn and right hand comes across and cups over the left hand, pull left hand down with right so that left hand is at chest level with elbow pointing out to left  
7&a slide right hand down the back of left until fingertips are touching, fold left hand down into right so that palms are together. Keeping fingers together rotate right hand so that palm faces out and fingertips are pointing to the left while rotating left hand so that the palm is facing in and the fingers are pointing to the right while extending thumbs on both hands, right thumb pointing down, left thumb pointing up. (fingers should be overlapping)  
8&a slide hands together so fingers are inside palms but not past the thumbs, slide right hand up and left hand down until index fingers and thumbs are touching and you have a box, slide hands together until thumbs come together,, slide right hand up and left down until thumbs tips come together.

**[57-64] Tut, Leg Hit, Wave, Ball Side Rock/Recover, Arm Hits, Side Hop**

1,a rotate left hand and right hand down until hands come together in the pray position in front of you, rotate hands out and down so finger tips are pointing down as you slightly lean over forward.  
2&a3 Slightly bring right foot up as if to kick your right hand, raise right hand up to face as you step back down out on right, take right hand away from face to right as you look to the right, in a waving motion take right arm across in front of you to the left leading with fingertips like they are going over small ripples

- 4&a pull right arm back to right, step left to right, rock right to right side as you continue to pull right arm out to right
- 5,6,7,8 extending right arm out to right bring right arm over in a counter clock wise rotation as you step left to left side, your arm will continue to make a circle in a CCW rotation, on each whole count it should pass by your head, almost like your swinging to hit your head and on each whole count slightly tilt head to the left.

**Your first rotation will start on the count 5 and continue around for count 6 and so on for the next 2 counts**

- &a a s your hand come around after the last rotation continue the momentum with your arm out and to the right as you hop 2 times to the right on the right foot

**[65-72] Skates, Arm Pops With ¼ Turn, Hand Flick**

- 1,2,3 skate forward left, right, left
- 4&a step back right, left, right
- 5&a step forward on left to the left diagonal as you punch arms forward and crossing right over left, step together with right as you pull arms back as you turn wrist up, step together with left finishing a ¼ turn to left as you punch arms forward and crossing them right over left,
- 6&a step together with right as you pull arms back and hit thighs, punch arms forward like your grabbing something, pull arms back,
- 7&a punch arms forward and crossing right over left, bring arms back and hit thighs, clap,
- 8&a raise right hand out and up to the right as you flick your hand in a rolling motion a ¼ of a turn up as if you're shoeing something away.

**[73-80] Arm Hits With ½ Turn Look, Scuff With Big Step, Big Step, Body Rolls, Arm Hits**

- 1&a2 step back on right as you make a ½ turn to the right as you extend both arms forward index fingers pointing up and bring them together side by side, leave left hand forward as you bring right hand back and in front of mouth with finger over lips as if to tell someone to be quiet. turn head to right as you take hand back to the right, turn head back to front and bring hand back to in front of lips..
- &a3 4 Extend right arm back forward and bring fingertips together as you hitch up right leg, take a big step forward on right, drag left to right, take a big step back on left
- 5,6,7 step forward on right as you body roll down from shoulder to hips on each whole count
- 8&a punch hands forward and slightly up as you cross right over left, pull arms back to sides, punch arms forward and slightly down as you cross right over left.

**END OF DANCE!!!!**

**This is a tough one, all about the styling. I think the next time I do one of these the step sheets will say "See Video". LOL**
