Have fun with this dance by making it a contra line (especially at socials) :-
Section 1 - walks forward and clap hands with the people opposite you
Section 3 - when clapping on step 5-6 turn round over right shoulder and clap the hands of the person behind you
During section 3 when you are clapping hands you could shout out the following to make it more fun :-
1-2 "To you"
3-4 . "To me"
5-6 . "And back"
7-8 . "To you"
Section 4 - when walking forward pass your partner's right shoulder
Many Thanks to Cathy Hodgson for her help in making this a contra dance xxxx
