## **END OF DANCE**

**Note:** Intro 21 counts and start on second word daddy cool, but on word cool you start dancing facing 12:00 o'clock .

You do not need to start 6:00 o'clock and make 1/2 turn to 12:00 o'clock, it is just for a intro show but you have to do these steps, toe strut and fingers snap.

**TAG:** 16 count for Tag on wall 6 facing 6:00, o'clock is a 4 toe strut 2 right 2 left, and Restart with the right foot .

**NOTES:** this is an options but only for the 21 count intro .

We can do this dance with a row of 4 dancers by turning one by one with a pivot step on the left making toes strut and fingers snaps with the song only for the intro. But only row 1 turn after repeat row 2, 3 and 4 . Before the song begin all dancers must be facing to wall 2.
