

# Dance Like You Love It

**COPPER** KNOB  
STEPPERS

Count: 48

Wall: 2

Level: Phrased Beginner

Choreographer: Lisa McCammon (USA) - July 2016

Music: Dance Like Yo Daddy - Meghan Trainor

#48 count intro; start weight on L

**NOTE:** This is meant to be a line dancer-friendly interpretation of the National Dance Day 2016 routine. Because of repetitions there are only 32 actual line dance steps in Part A and 16 in Part B, so even with the phrasing and Tag, I believe it is still a beginner level dance.

\*Recommend slowing the music per the National Dance Day demo video.
