5 & 6 & Step RF back, recover, Kick RF, Step RF next to LF
7 step LF fwd
8 RF next to LF

Tag

1 2 Sway, Sway

**** Note:**

The original music is very slow to dance to.

We suggest that you speed up the music by roughly 8% (as used in the demo) through suitable software.

We have created a version where the tempo is increased without altering the pitch.
