Simply repeat the last counts of the dance then Restart the dance

1&2& Step R to right, Step L beside R, Bump both heels twice

Here's another dance I have written for my Dunedin New Zealand workshop in Sept. 2016.

Don't know about you, but I grew up in the rock n roll era and that style of music has always been a part of some great memories I still carry around today. Roy Orbison's version of this song was the one I remember, but I like this version of Ray Dylan's too. Really gets me in the mood to dance when I hear this song, hope it gives you the same feeling... because I do like to share GOOD feelings....enjoy the dance!

See you on the floor sometime.... Jan
