

Knee Deep in Paradise

COPPER **KNOB**
BY STEPHENETS

Count: 16

Wall: 4

Level: Beginner

Choreographer: John Koning (CAN) - September 2017

Music: Knee Deep (feat. Jimmy Buffett) - Zac Brown Band

Start: Right

2 DIAGONAL LOCK STEPS (CROSS & CROSS), COASTER STEP, WALK BACK X 2

- 1&2 Step right across left diagonally to left, slide left behind right, step right across left
3&4 Step left across right diagonally to right, slide right behind left, step left across right
5&6 Step forward on right, return to left, step back with right
7-8 Walk back left, right

SIDE SHUFFLE, CROSS ROCK BACK, TURN, WALK X 4

- 9&10 Shuffle left, right, left to the left
11-12 Step right behind left, return while making right ¼ turn
13-14 Walk right, left
15-16 Walk right, left

****2 Easy Tags: Out, out, in, in**

- 1,2,3,4 Step out with right, step out with left, step in with right, step in with left

Both of these easy Tags happen after the 4 walk steps. The first comes on the 9 o'clock wall during a four count instrumental following "... change your geography. Maybe you might be." and the second comes on the 6 o'clock wall following "When you lose yourself." You will dance the second Tag to "You find the key..."

Have fun!

This dance is dedicated to my friends in paradise who have been affected by Hurricane Irma.
