

Hold Me Close

Count: 32

Wall: 4

Level: Easy Intermediate

Choreographer: Christine Stewart (NZ) - April 2019

Music: Hurt Somebody - Noah Kahan & Julia Michaels : (Album: Hurt Somebody - EP)

Intro: It's really hard to give a number of counts for the introduction as the timing at the start of the song is very irregular. The introduction is quite long though.

If you just focus on the timing of the lyrics and use those to count in then you should be able to identify a 64 count introduction.

The last line of lyrics in the introduction is "But I've been too afraid to follow through".
Start the dance as soon as Noah starts singing the word "Hold" (approx 33 seconds into the track)

It's probably a good idea to listen to the track a few times before doing the dance so you can "hear" when to start.

The beat is still a bit irregular during the first wall but comes in strongly from wall 2.
