The dance also works to Barry Manilow's version of "You Made Me Love You." With his version, the dance ends at 12:00 but has four extra beats. Just sway right, left, right, left for those four extra beats.

Patsy Cline's "Walkin' After Midnight" is also a good choice for this dance.

This dance will work to any dance that is 32 beats and has no tags or restarts, so if the pace is too slow, a faster paced song can be substituted.
