**Brief note on Music:**

天涯歌女 is a romantic ballad from the 1937 movie [马路天使 (Street Angel)]. Set in Shanghai, this musical black-&-white production is the love story between a young songstress and a musician living across the street.

**Acknowledgement:**

This choreography was inspired by Kate Sala's & Robbie McGowan Hickie's Starlight (Jan'19):

<https://www.copperknob.co.uk/stepsheets/starlight-ID130514.aspx>.

The first 4 sections of The Songstress are taken straight out of Starlight, though expressed a little differently in this step-sheet.

My sincerest appreciation to Kate and Robbie for their kind consent and for this generous sharing of their Starlight choreography.
