- 7-8 RF fwd. and hip roll right - recover on LF 1/8 turn left (3:00)

Start again and have fun ☐

Hip Rolls:

Start to practise with simple side rock steps. Then add the rolling hip motion:

When you shift your weight to the right foot you start to roll your hips right forward and clockwise till your weight gets back to the left foot. In the last section you just add a little (1/8) turning move.
