Dance Notes:

Dance rotates counter clockwise with the new wall at 9:00

Restart on Wall 4 after 16 counts after the walk walk (Starts at 3 and ends at 9:00) then restart the dance.

Style note: On the each chorus, drop the two walks forward to do two half turns $\frac{1}{2}$ turns left when Keith Urban sings "ready to fly". Put out your arms like an "airplane" while turning to feel like you are "flying!"

Optional Big Finish Ending: Dance ends with the cross points. For the "big finish", cross right over left and unwind $\frac{3}{4}$ turning left with "airplane arms" to the 12:00 wall.
