Count: 32
Wall: 4
Level: Low Intermediate
Choreographer: Mikael Mölsä (FIN) \& Hanna Pitkänen (FIN) - 2 July 2022
Music: Numb - Marshmello \& Khalid : (CD: Numb -single)

Starting point: At the vocals, at about 0:08.
Ending: The dance ends after wall 9 (you're facing the front wall when the last wall begins). Normally, you would turn a $1 / 2$ to right with the camel walks and you'd start the new wall facing $3: 00$. So, instead change the camel walks on that wall so that you only turn $1 / 4$ to right, finishing the dance facing the front wall.

HITCH, BEHIND, SIDE, CROSS, SLIDE, $1 / 4$ LEFT TURNING SAILOR STEP
1-2 Step right forward and hitch your left foot, hold
$3 \& 4$ Step left behind right, step right to right side, step left across right
5-6 Take a big step to the right with your right foot, slide left next to right
$7 \& 8 \quad$ Turn $1 / 4$ to left and step left behind right, step right next to left, step left to left diagonal
Note: If you want to give it more angle, you can do the hitch to left diagonal.

## STEP, SWEEP, CROSS, SIDE, BEHIND, ROCK STEP, BEHIND, $1 / 4$ LEFT TURNING STEP, STEP FORWARD

1-2 Step right forward and sweep your left from back to front, finish your sweep from back to front
3\&4 Step left across right, step right to right side, step left behind right
5-6 Rock right to right side, recover weight back to left
$7 \& 8 \quad$ Step right behind left, turn $1 / 4$ to left and step left forward, step right forward
HITCH ACROSS, CROSS, BACK, SIDE, SYNCOPATED ¼ RIGHT TURNING MONTEREY TURN, TOE TOUCHES
1-2 Hitch left across right for two counts
3\&4 Step left across right, step right back, step left in place
5-6 Touch right toe to right side, turn $1 / 4$ to right by bringing right next to left
788
Touch left to left side, step left next to right, touch right to right side
STEP ACROSS, HOLD, SHUFFLE FORWARD, ½ RIGHT TURNING CAMEL WALKS
1-2 Step right across left, hold
3\&4 Step left forward, step right next to left, step left forward
5-8 Camel walk right, left, right, left (you'll turn a $1 / 2$ to right with the 4 camel walks)
Note: Once again, if you want to give it more angle, you can change the forward shuffle to a left diagonal shuffle. Also, if your knees don't like the camel walks, you can change them to regular walks.

REPEAT
