Hand/Arm Movement (Suggestions)

The song uses the lyric “hands up in the air” A LOT, and not always at the same points.

Go for what you feel in the music but here are some suggestions for when to raise the roof, wave ‘em like you just don’t care:

- Part A, last section: hand(s) out in front on 5-6 heel grind (looks like you’re telling your neighbor to “freeze”
 - Part B, second section: wave arm(s) side to side on toe/heel touches
 - Part B, ending: raise the roof (palms to the ceiling) on 7,8 knee pops
 - Part C, ending: drop hands down on last 7, bring hands up with a point or snap for 8
