That's it! I hope you like it. A catchy song to get your heart rate up a little. I work hard trying to choreograph these routines for beginners, or for warm-ups before class and search for hours finding a fun and easy song to go along with the routine. If you like it, please press like for me. Or if you would like to do a demo for me! I would really appreciate it.

Please do not alter routine without my permission. Thank you.
