That's it! One of the good ones from the 70's. Just remember that you vine L first! It all comes out for the R foot leading after that. Please let me know if you like this routine. Liking and voting is so important for us choreographers. So if would like to vote for it, I would appreciate it very much! As soon as I heard this song, I had to do another routine to it. This routine will go with any 32 count song with no tags. All I ask is that you don't alter my routine without my permission. Thank you, Georgie mygeo@adamswells.com or mugrantg@gmail.com
