***As for the Rumba Box's, if you want to make them a straight box, that's ok with me.**

It would make it a little easier for beginners, then when they learn it, you can add the Rumbas to it.

**That's it! I sure hope you like this easy beginner's routine. Please let me know if you like it. If you have any questions, please feel free to contact me and I will help you if I can. Thank You, Georgie
